

“Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.” Luke 6:38 NKJV

### *The History of Fueled by Prayer*

In 2010, God began to impress Jimmie Borders, a businessman in Tompkinsville, KY, of the need for increased prayer among His children. At that time, Jimmie owned nine companies and was tithing the profits to various Ministries. God impressed Jimmie to ask them for self-addressed stamped envelopes for the monthly donation to be mailed to their ministry. Although about half refused, God began to bring in new ministries. A few months later, God impressed Jimmie to ask these ministry leaders to call the office, several times a week to pray with Elizabeth Cornwall, or himself. Later another employee was added. A group of six-ten people began praying daily. Child Evangelism fellowship of KY (Kari Ash/Charles Kock) became involved and shared with other Ministries the unique opportunity of praying together on the prayer line and receiving donations for their ministry.

As more prayer participants began to call in, God directed Jimmie to set up a world-wide conference call prayer line. In 2016, the Lord gave the name “Fueled by Prayer”. Elizabeth Cornwall was the first monitor and developed the monitoring process, as well as being the Financial Coordinator.

Line 1 was originally one hour in the morning and one hour in the afternoon, five days a week. On the first Sunday of April, 2019, the Sunday Service began with one hour of worship. The Sunday Service came about due to a faithful monitor and prayer participant, Patricia Martin, expressing her loneliness on Sundays, because she was no longer physically able to go to church and fellowship with born again believers. The Sunday Service quickly grew to four hours; then the first Sunday of August 2020, became 24 hours of Prayer, Praise, and Worship. Patricia Martin was an active monitor/prayer participant until her homegoing due to the Covid 19 Pandemic.

As God continued to bless Jimmie and his businesses, evening hours were added to line one. In May of 2020, a second line was added; in June of that year both lines went 24 hours 6 days a week (with line one being 24 hours of P, P & W). The weekday 2:30pm CT prayer for Companies, Countries, and Special Needs began in August of 2020, with no call count credit.

Four additional lines were added in 2022 to give Ministries an opportunity to grow by focused prayer on specific needs. The ministry receives an hourly donation.

On Wednesdays line 3 is dedicated to praying for the nations with call count credit for monitors only. Fridays on line 5, we pray for the military, Police Officers, Firefighters, First Responders, and our Sheriff's Departments.

Lines 1, 2 and soon line 7, are for monitors and prayer participants to receive call count credit, except during the 2:30 special prayer time, six days a week.

As God continues to bring new Ministries, from all over the world, into the Fueled by Prayer family, the hours on line 7 will be extended, and more lines will be opened.

To God be the Glory.
